

WE OPERATE OUR BUSINESS UNDER THESE GUIDING PRINCIPLES:

Our idea from day one has been to create, produce and serve super great, full-flavored food that has a beginning, middle, and finish to every bite. Everything at Marie Catrib's is ruled by taste. We strive for efficient, uncompromised, sincere, fabulous, caring and exceptional service (as close to perfect as possible). We want to be a good place to eat for everyone. We also want to be considered a good place to shop in-store or on the web. We offer something for everyone, from tempting cakes to satisfy your sweet tooth to a delicious homemade meal to take home to the family. We provide a caring, genuine, free-spirited, diverse place to work.
